

Application Form: NANOVerify Programme

INSTRUCTION

Please complete this form in confidence and return to NanoVerify Sdn Bhd

- New Application Renewal

PART 1: COMPANY DETAILS

1) Company name:

2) Company registration:

Malaysian: Yes No. Please state the country of registration: _____

If **YES**, Please provide your company registration number (ROC): _____

3) Official address:

4) Telephone/ Fax No.:.....

5) Email address:

6) Product/process/service to be certified (Kindly choose one (1) part ONLY)

- Characterization of Nano Elements (Verification of Size)
- Functionality of Nano Elements
- Mechanical Properties Surface Properties Electrical Properties

Product:

Trademark:

Model:

Production volume:

7) Company classification:

- Sole Proprietor Small Company Micro Company Medium Sized Company
- Large Company Manufacturer Public Listed Company Research Institution

8) Name of the parent company (if applicable):

9) Parent company address (if applicable):

10) Manufacturing Address of the Product (if different from No. 3 and 4)

PART 1: CONTACT DETAILS

- 1) **Contact Person** :
- 2) **Designation** : _____
- 3) **Contact details** : _____
- 4) **Email address** : _____

PART 3: OPERATIONS/ PROCESSES/ PRODUCTS DETAILS

1) **Have your company use Nanotechnology for your processes/ products?**

- a) Operations/ Processes: Yes No
- b) Products : Yes No

2) **Please specify the type of nanostructures used (if related):**

- Nanomaterial Nanomesh
- Nanofiber Quantum dot
- Nanofilm Graphene, please specify (type) i. _____
- Nanofoam Others, please specify (type) i. _____
- Nanopillar ii. _____

3) **Do you produce your own nanostructures (if related)?**

- Yes No

If you obtain your nanomaterials **ELSEWHERE**, please specify the **COUNTRY** and **COMPANY** you source the nanomaterials from:

4) **Is your product locally fabricated or produced from abroad?**

- Fabricated locally Produced from oversea. Please specify the country of origin: _____

5) **Do you have any Standard Operation Procedure (SOP) for safety in handling the nanostructures or any standard/ procedure relating to it?**

- Yes No

PART 4: TECHNICAL/ADDITIONAL INFORMATION

No.	Item	Instruction
1.	List of Nanotechnology Element(s)	Please provide details of the nanotechnology element(s) in your process(es)/ product(s) as in Appendix 1
3.	Process Flow Chart	Please draw the process flow chart related to your nano-element(s) and mark your proposed sampling point(s) in Appendix 2

Please provide your additional details to this application form (If any). Further document attachment is needed, please refer to the document checklist.

PART 5: DECLARATION AND UNDERTAKING

In connection with this application, I/we/the Company hereby agree to/that:

- (a) make payment for the certification upon receipt of invoice from NanoVerify Sdn. Bhd (NVSB), the payment shall not be refundable once paid regardless of the result of certification;
- (b) be held responsible from the start of the certification process (submission of this application form to NVSB) to the end of the certification process;
- (c) ensure the product manufacturing process and the manufactured product complies with the relevant standard and the product certification requirements respectively;
- (d) supply all information required by NVSB for the purpose of the evaluation of the product(s) to be certified;
- (e) make available the samples of product(s) and materials to NVSB for evaluation and testing purposes;
- (f) confer NVSB the right to review the product details in the event the evaluation of the product evaluated is different from the product details declared and provided in this application form;
- (g) allow authorized NVSB Secretariat to access (together with the Company's or manufacturer's representative) to carry out evaluation and review activities for the product(s) to be certified;
- (h) allow Standards Malaysia or Accreditation Body assessor to access the premises to witness NVSB auditor performing an audit as apart of accreditation process from Standards Malaysia;
- (i) keep NVSB informed of any changes in the particulars given above and/or in the details of production, including processing changes and/or quality system of the manufacturing process.
- (j) undertake to pay NVSB all direct and incidental cost of processing this application, in the event of:
 - audit takes place outside of Malaysia
 - Additional testing required, or
 - other costs not covered in the certification fee
- (k) bear the cost for and make payment to NVSB the re-test/re-evaluation of the certified product(s) if the formulation/ingredient changes within 2 years from the date of duly certification of the product(s) upon receiving the invoice from NVSB.
- (l) bear the cost and make payment to NVSB if there is any change in the given above and/or in the details of production, including but not limited to the processing changes and/or quality system upon receiving the invoice from NVSB.
- (m) confer NVSB the absolute right to release the information obtained in the course of processing this application to relevant government authorities for the purpose of the certification, if required by law.
- (n) NVSB will submit the product to be certified for analysis at the partner's laboratory solely based on the product information provided by me/us. This is to ensure that the results are totally objective and independent as the tests are performed by an independent third party.
- (o) NVSB does not provide any guarantee on the outcome of the laboratory test result(s) for the product to be certify nor can NVSB influence the test result(s) in any way, and as such NVSB shall not be held responsible for or liable on the outcome of the said test result(s) and certification panel approval.

I/We, hereby, declare that all information and/or statement given is true and correct and I/We understand that if any of information given if found not to be true and correct this application will be refused and any certification awarded shall be declared null and avoid

Appendix 1

List of Nanotechnology Element(s)

(Please provide details of the nanotechnology element(s) in your process(es)/ product(s))

No.	Name of the process/ product	Application	Nanomaterial(s) used (If related)
1.			
2.			
3.			

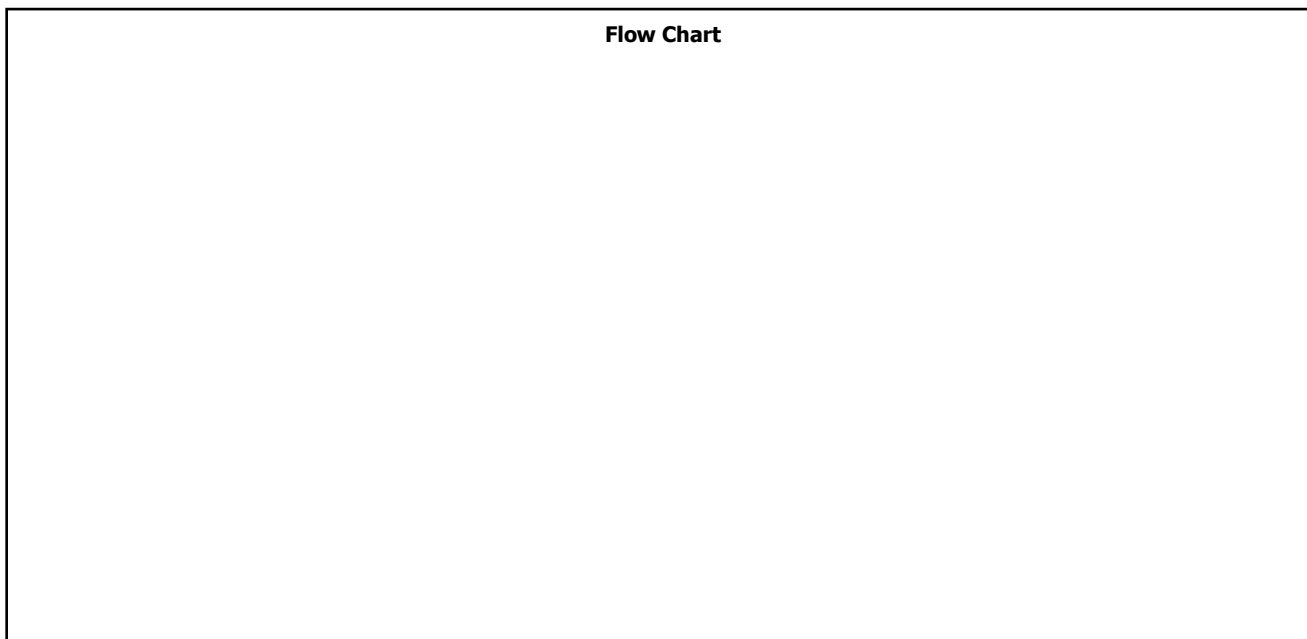

Appendix 2

Process Flow Chart

(Please describe main production process flow using symbols indicated)

-  Model/Brand
-  Flow
-  Process
-  Quality Control Check (List major quality control check point details in Appendix 3)
-  Storage /Outgoing

All final product tests and evaluations should be identified and included in the list.

Appendix 3

DECLARATION OF APPROVAL FROM RELEVANT AUTHORITY

Declaration of Approval from Relevant Authority (To be filled by Applicant)

Company :

Product :

In view of my/our application for the NANO Verify Programme to be issued to us subject to full compliance of documents and due assessment by NanoVerify Sdn. Bhd., we further hereby affirm and confirm that my/our activities of manufacturing/trading of the product, that: I/We,

Have obtained approval from the relevant local authorities and/or relevant regulating bodies to manufacture/trade the above product, of which Evidence of approval is attached

or

Have submitted the application for such approval to the relevant authorities and/or regulating bodies, pending approval from them, of which Evidence of application for approval is attached

I/we further affirm and confirm that NanoVerify Sdn. Bhd. has the right to revoke the acceptance of this application in non-compliance with all the terms and conditions stipulated and subjected to the Certification Agreement agreed and signed with NanoVerify Sdn. Bhd.

<i>An authorized representative of the applicant shall render his/hers signature in this section.</i>	Signature		Applicant's stamp:
	Name		
	Designation		
	Date		
Address			

Appendix 4

DECLARATION OF APPROVAL FOR TRADEMARK REGISTRATION/ BRAND NAME

Declaration of Approval for Trademark Name (To be filled by Applicant)

Company :

Product :

In view of my/our application for the NANO *Verified* certification to be issued to us subject to full compliance of documents and due assessment by NanoVerify Sdn. Bhd. , we further hereby affirm and confirm that my/our activities of manufacturing/trading of the product, that: I/We,

- Registered owner of the above trademark named below:
(Registration for trademark is attached)
- Submitted application for the trademark of the above named below:
(Evidence of application for registration is attached)
- No Trademark
- Trademark for the above-named product/brand has been authorized by the trademark owner
(Authorization letter is attached)

Note: Please tick ✓ where applicable

Trademark/brand name

I/we further affirm and confirm that NanoVerify Sdn. Bhd. has the right to revoke the acceptance of this application in non-compliance with all the terms and conditions stipulated and subjected to the Certification Agreement agreed and signed with NanoVerify Sdn. Bhd.

<i>An authorized representative of the applicant shall put his signature in this section.</i>	Signature		Applicant's stamp:
	Name		
	Designation		
	Date		
Address			

Appendix 5

DECLARATION BY MANUFACTURER

Declaration of Approval for Manufacturer (To be filled in by Applicant)

Trading Company	
Company Registration No.	
Address	
Product	
Brand	

In connection with the application for the NANO *Verify* Programme by the above company, we hereby agree:

1. Assist NanoVerify Sdn. Bhd. to furnish relevant information directly in connection with assessment of the NANO *Verify* Programme.

<i>An authorized representative of the manufacturer shall render his/hers signature in this section.</i>	Signature		Manufacturer's stamp:
	Name		
	Designation		
	Date		
Name of Manufacturer and Address			

APPOINTMENT OF TRADING COMPANY AS SOLE AUTHORIZED AGENT*

~~I hereby confirm that I/we have authorized the above Trading Company as our sole authorized agent for the product described above.~~

<i>An authorized representative of the manufacturer shall render his/hers signature in this section.</i>	Signature		Manufacturer's stamp:
	Name		
	Designation		
	Date		

* This part is to be completed shall the trading company is appointed as sole authorized agent.
