

### NANOMALAYSIA BERHAD

A Company Limited by Guarantee under MOSTI mandated for the commercialisation & industrial development of nanotechnology in Malaysia.

Programme Owner

### NANOVERIFY SDN BHD

A wholly-owned subsidiary of NanoMalaysia Berhad mandated to manage and operate the NANOVerify Programme.

Programme Manager

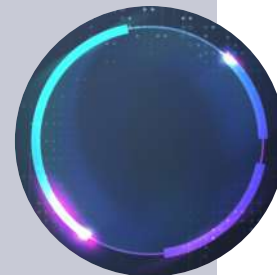

## What is the NANOVerify Programme?

The NANOVerify Programme is a voluntary certification programme for products containing nano-elements in the range of 1 to 100 nm in any dimensions. There are three (3) schemes under the programme; NANOVerify, NANOTrust, and GRAPHENEVerify.

Mark of conformance will be awarded to products upon successful completion of the NANOVerify Programme.

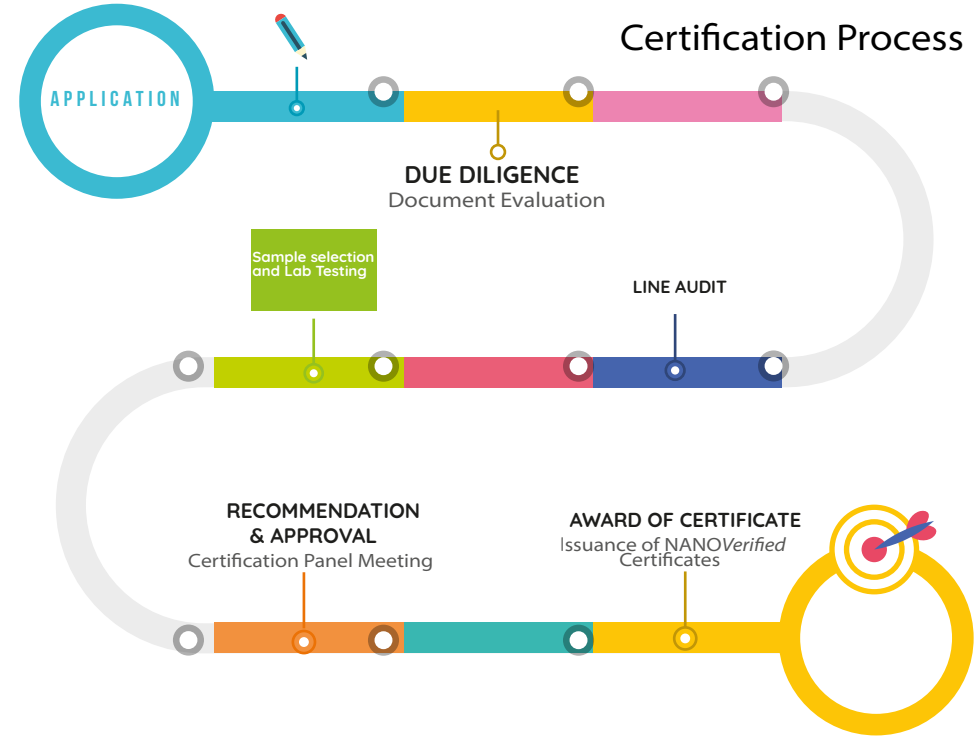

BE TRUSTED, BE VERIFIED

## Why NANOVerify Programme?

- 01 Increases public trust in nanotechnology.
- 02 Certifies the presence and quality of nanomaterial.
- 03 Promotes genuine nano products in the local & regional market.
- 04 Facilitates trade.

### \*Mark of Conformance

NANOTrust Mark

NANOVerify Mark

GRAPHENEVerify Mark

\*Applied on products or smallest packaging unit to signify it has been verified and characterized to have nano size element(s).  
\* Based on the type of chosen scheme by the applicant.

“Our experience supports our quality”

NANOVerify oversees Malaysia's Nanotechnology verification programme to certify processes and products with genuine nano-elements
